

New Radicals, Someday We'll Know

90 miles outside Chicago
Can't stop driving
I don't know why
So many questions
I need an answer
Two years later
You're still on my mind
Whatever happened to Amelia Earhart
Who holds the stars up in the sky
Is true love once in a lifetime
Did the captain of the Titanic cry
Chorus:
Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you
Does anybody know the way to Atlantis
Or what the wind says when she cries
I'm speeding by the place where I met you
For the 97th time tonight
(chorus)
Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the one for you
I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
If I could ask God just one question
Why aren't you here with me? Tonight
(chorus)
Someday we'll know
Why sampson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the One for you
Postscript: Seeing you in February was great
Cliches eventually all come true
"time heals all wounds"
I went to get us our 9th drink
and you ran out the door with another guy
I woke up on the floor with my shoes on
A smile on my face and I didn't even care
