

New Radicals, You Only Get What You Give

Wake up kids
We've got the dreamers disease
Age fourteen
They got you down on your knees
So polite
You're busy still saying please
Frienemies
Who when you're down ain't your friend
Every night
We smash their mercedes-benz
First we run
And then we laugh till we cry
But when the night is falling
you cannot find the light (light)
If you feel your dreams are dying
Hold tight...
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give
Im coming home baby
Your the tops
Give it to me now!
Four a.m. we ran a miracle mile
We're flat broke but hey we do it in style
The bad rich
God's flying in for your trial
But when the night is falling
You cannot find a friend (friend)
You feel your dream is breaking
Just bend...
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give
This whole damn world can fall apart
You'll be ok
Follow your heart
You're in harms way
I'm right behind
Now say you're mine...
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget we only get what we give
Don't let go
I feel the music in you
Fly high
What's real can't die
You only get what you give

You're gonna get what you give
dont give up
Just dont be afraid to live :)

You're all fakes
Run to your mansions
Come around
We'll kick your ass in!!
Don't let go
One dance left
Don't give up
Can't forget
