

Newsong, Defining Moment

there comes a time, in every heart
a time of real decision
when we reach the point of choosin'
how we would live our lives
all our hopes, all our dreams
will rise up from that moment,
the moment we surrender,
and choose to follow Christ.

He's been waiting all our lives to hear us say,
I am your's Lord take my hand and lead the way

Chorus

When you believe He's all you need
that will be your defining moment.
As you live your life walking in His light,
trusting Him completely,
that will be,
that will be,
your defining moment.

All I have all I am,
is resting in His promise,
The promise that He'll make me everything that I should be,
I will live,
I will die
for the cause He set before me,
to take this love inside my heart
for all the world to see

Oh! All of heaven celebrates when they hear someone say, Yeah!
I am your's Lord,
take my hand and lead the way!

Chorus

Yeah, His amazing grace is such a mystery yeah
how in an instant it can make your life complete
oooohhhhh
Repeat 2x
(First time no "defining moment part")
