Phone conversation....

T-Low

Im sorry baby I cant be there with you,  
But I got a freaky Ideal,  
Cause girl Im in a freaky mood,  
So follow directions closely,  
Its gonna be the bomb,  
And before I let you go darlin,  
Im gonna make you cum

Chorus

How about a little phone sex  
(Baby girl if its alright)  
Hows about a little phone sex,  
(Since we cant hook up tonight)  
Hows about a little phone sex,  
(Cause you know it'll fill so nice)  
Hows about a little phone sex,  
Lay back and enjoy the ride.

R.L

Time to get those fingers wet,  
Just imagine its me inside,  
Cant you feel The Real,  
I want you to thrust,  
Owe,  
Untill you bust,  
Scream as loud as you want,  
Im tastin' you while Im away from you,  
I cant wait to get home.

Chorus (repeat many times)

Hows about a little phone sex (repeat)

Ohh Im cummin  
Oh I can feel it,  
Make me cum,

Now baby you like the way it feels when you do it with a single,  
So why dont you entertain yourself with your fingers.
