Utwór 'Meltdown' to nowość od Niall Horan. Premiera utworu 28 kwietnia 2023r.

When it all melts down I'll be there

Talkin' to yourself in the bathroom
Losin' your mind in the mirror like you have to
Oooh

Screamin' in your car in the driveway
Spinnin' out think your life's going sideways
Oooh

One broken glass turns to total collapse
Just know this too shall pass
I'm tellin' you now, tellin' you now

Wooh
When it all melts down I'll be there
Wooh, Wooh
When it all melts down I'll be there
I'm tellin' you now, tellin' you now

Sleep is so thin, outta habit
Hard to tell the real from the dreams you imagine, oooh
Nights when one broken glass turns to total collapse
Just know this too shall pass
I'm tellin' you now, tellin' you now

Wooh
When it all melts down I'll be there
When it all melts down (Wooh)
When it all melts down now (Wooh)
When it all melts down I'll be there
I'm tellin' you now, tellin' you now

When there's wolves on your track (wolves on your track)
Catchin' up fast (catchin' up fast)
Baby don't you look back (don't you look back)
Don't you look back (Baby don't you look back)
When you're hittin' a wall (hittin' a wall)
And every star falls (every star falls)
Don't you worry at all

Wooh
When it all melts down I'll be there
When it all melts down (Wooh)
When it all melts down now (Wooh)
When it all melts down I'll be there
I'm tellin' you now, tellin' you now
