

Niall Horan, Nice To Meet Ya

[Verse 1]

I like the way you talk, I like the things you wear
I want your number tattooed on my arm in ink, I swear
'Cause when the morning comes, I know you won't be there
Every time I turn around, you disappear

[Verse 2]

I wanna blow your mind, just come with me, I swear
I'm gonna take you somewhere warm, you know j'adore la mer
'Cause when the morning comes, I know you won't be there
Every time I turn around, you disappear

[Chorus]

(I got love for you)
(I got love for you)
Nice to meet ya
(I got love for you)
(I got love for you)

[Refrain]

Nice to meet ya, what's your name?
Let me treat ya to a drink

[Verse 3]

I like the way you talk, I like the things you wear
I want your number tattooed on my arm in ink, I swear
'Cause when the morning comes, I know you won't be there
And every time I turn around, you disappear

[Chorus]

(I got love for you)
(I got love for you)
Nice to meet ya
(I got love for you)
(I got love for you)

[Bridge]

One minute, you're there, the next one, you're gone
Been waiting for you all night, so come on
You know what I need, you know what I want
You know what I need now
You know what I need now

[Refrain]

Nice to meet ya, what's your name?
Let me treat ya to a drink

[Outro]

Nice to meet ya
(I got love for you)
Where ya been?
(I got love for you)
Let me treat ya
(I got love for you)
To a drink
(I got love for you)
Nice to meet ya
