

# Niall Horan, No Judgement

barefoot and a bottle of wine  
you can stay with me tonight  
you don't have to change  
when I am around you  
so go ahead and say what's on your mind  
on your mind

when you're with me no judgement  
you can get that from anyone else  
you don't have to prove nothing'  
you can just be yourself  
when you're with me no judgement  
we can get that from anyone else  
we don't have to prove nothing'  
when you're with me no judgement  
we don't have to prove nothing'  
when you're with me no judgement

I get us breakfast in the morning  
or you can slip out in the night  
you don't have to give me a warning  
cause we both got nothing to hide  
nothing to hide

even though we don't talk for a couple of months  
it's like we didn't lose any time  
I can be your lover  
or your shoulder to cry on  
you can be whoever you like

when you're with me no judgement  
you can get that from anyone else  
you don't have to prove nothing'  
you can just be yourself  
when you're with me no judgement  
we can get that from anyone else  
we don't have to prove nothing'  
when you're with me no judgement  
we don't have to prove nothing'  
when you're with me no judgement

I hope we never change  
even though we both know  
that we;; move on again  
I'll keep your secrets safe  
until the time we both find ourselves alone again

when you're with me no judgement  
you can get that from anyone else  
you don't have to prove nothing'  
you can just be yourself  
when you're with me no judgement  
we can get that from anyone else  
we don't have to prove nothing'  
when you're with me no judgement  
we don't have to prove nothing'  
when you're with me no judgement
