

Nicholas Jonas, Appreciate

And there's a man dying on the side of the road
Won't make it home tonight
He was driving fast on his cellular phone
That's how he lived his life, mmmm
While he was hanging by a thread
These were the final words he said

My girl turned sweet sixteen today
She's beautiful, she's beautiful
It might get rough sometimes, but I hope she keeps her faith
(hope she keeps her faith)
I wish I grabbed the chance to say to her
Life is too short so take that time and appreciate

And there's a woman crying on the kitchen floor
She got a call tonight
Now she's trembling outside her daughter's door
Walks in and holds her tight, mmmm
Wondering how or where to start
Is there a way to shoot her heart

My girl turned sweet sixteen today
She's beautiful, she's beautiful
It might get rough sometimes, but I hope she keeps her faith
(hope she keeps her faith)
I wish I grabbed the chance to say to her
Life is too short so take that time and appreciate

Anybody run away
(run away, run away)
Get hurt along the way
Don't be afraid to open up
(open up, open up)
And use the time you have before it fades
Show you love today, oh oh

My girl turned sweet sixteen today
She's beautiful, she's beautiful
It might get rough sometimes, but I hope she keeps her faith
(hope she keeps her faith)
I wish I grabbed the chance to say to her
Life is too short so take that time and appreciate
Life is too short so take that time and appreciate
