

# Nicholas Jonas, Look Me In The Eyes

Oh oh yeah  
Woah oh oh yeah  
If the heart is always searching  
Can you ever find a home  
I've been looking for that someone  
I can't make it on my own  
Dreams can't take the place in loving you  
There's gotta be a million reasons why it's true

When you look me in the eyes  
And tell me that you love me  
Everything's alright  
When you're right here by my side  
When you look me in the eyes  
I catch a glimpse of heaven  
I find my paradise  
When you look me in the eyes

How long will I be waiting  
To become a better man  
Gonna tell you that I love you  
In the best way that I can  
I can't take a day without you here  
You're the light that makes my darkness disappear

When you look me in the eyes  
And tell me that you love me  
Everything's alright  
When you're right here by my side  
When you look me in the eyes  
I catch a glimpse of heaven  
I find my paradise  
When you look me in the eyes

Everyday  
I start to realize  
I can reach my tomorrow  
I can hold my head up high  
And it's all because you're by my side

When you look me in the eyes  
And tell me that you love me  
Everything's alright  
When you're right here by my side  
When you look me in the eyes  
I catch a glimpse of heaven  
I find my paradise

When you look me in the eyes  
And tell me that you love me  
Everything's alright  
When you're right here by my side  
When you look me in the eyes  
I catch a glimpse of heaven  
I find my paradise  
When you look me in the eyes  
Oooh ohh
