Nicholis Louw, If You're Not The One

If youre not the one then why does my soul feel glad today If youre not the one then why does my hand fit yours this way If you are not mine then why does your heart return my call If you are not mine would I have the strength to stand at all

I never know what the future brings, but I know youre here with me now Well make it through and I hope you are the one I share my life with

I dont wanna run away but I cant take it I dont understand If Im not made for you then why does my heart tell me that I am Is there any way that I could stay in your arms

If I dont need you then why am I crying on my bed If I dont need you then why does your name resound in my head If youre not for me then why does this distance maim my life If youre not for me then why do I dream of you as my wife

I dont know why youre so far away, but I know that this much is true Well make it through and I hope you are the one I share my life with And I wish that you could be the one I die with And Im praying youre the one I build my home with I hope I love you all my life

Cause I miss you, body and soul so strong that it takes my breath away And I breathe you into my heart and pray for the strength to stand today Cause I love you whether its wrong or right and though I cant be with you tonight You know my heart is by your side
