

# Nick Carter, Heart Without A Home

Girl I love to watch you  
You're like candy to my eyes  
Like a movie that you've seen but gotta watch  
Just one more time  
But that smile you wearing  
It's a beautiful disguise  
It's just something you put on  
To hide the emptiness inside  
And you seem so lonely  
But you don't have to anymore

If you're a heart without a home  
A rebel without a cause  
If you feel as though you're always stranded on the shore  
Like a thief in the night  
Let me steal your heart away  
Baby if a reason's what you're looking for  
I'll be yours  
I'll be yours

I'll be your new sensation  
One you've never had before  
I gotta feelin' if I give you some  
You'll probably want some more  
Did you know that baby  
You're the bluebird in my sky  
I only wanna make you happy  
'Cause I love to see you fly

And if you feel lonely  
You don't have to anymore

If you're a heart without a home  
A rebel without a cause  
If you feel as though you're always stranded on the shore  
Like a thief in the night  
Let me steal your heart away  
Baby if a reason's what you're looking for  
I'll be yours  
I'll be yours

I'll be yours  
I'll be the raft in the tide  
I'll be yours  
I'll be the truth in the lie  
And once more  
When no one opens the door  
I'll be the home that you're lookin' for

If you're a heart without a home  
A rebel without a cause  
If you feel as though you're always stranded on the shore  
Like a thief in the night  
Let me steal your heart away  
Baby if a reason's what you're looking for

If you're a heart without a home  
A rebel without a cause  
If you feel as though you're always stranded on the shore  
Like a thief in the night  
Let me steal your heart away  
Baby if a reason's what you're looking for  
I'll be yours  
I'll be yours
