

Nick Carter, I Just Want to Take You Home

Girl, I don't know what to say
I feel so insecure
So, I start out by saying a cliché
like I seen you before? yeah...
Why play games and all these dates
who needs flowers?
When all you wanna say is...

Chorus-

I Just wanna take you home
we could make a story of our own
Please don't get me wrong
I just wanna...

Don't you hate it when you sweat
And your legs are going numb
When you get that feeling of regret
And it makes you want to run
But then I am playing nice
Meeting your parents
All I want to say is

Chorus-

I Just wanna take you home
we could make a story of our own
Please don't get me wrong
Please don't get me wrong

I just wanna

Tell me that you feel the same
Someone please explain
Why we have to play games
Instead of just saying
All I wanna say is

I just want to go

I...just, wanna go

I just wanna take you home (don't you want to?)

We could make a story of our own (just me and you)

Please don't get me wrong

I just wanna

I just wanna take you home (don't you want to?)

We could make a story of our own

Please don't get me wrong

Please don't get me wrong

I just want to take you home

So please don't get me wrong

I just wanna
