## Nick Cave, Get Ready For Love

Get ready for love! Praise Him! [2x] Get ready!

Well, most of all nothing much ever really happens And God rides high up in the ordinary sky Until we find ourselves at out most distracted And the miracle that was promised creeps quietly by

Calling every boy and girl Calling all around the world Calling every boy and girl Calling all around the world

Get ready for love! Praise Him! [2x]

The mighty wave their hankies from their high-windowed palace Sending grief and joy down in supportable doses And we search high and low without merty or malice While the gate to the Kingdom swings shut and closes

Calling every boy and girl Calling all around the world Calling every boy and girl Calling all around the world

Praise Him till you've forgotten what you're praising Him for [2x] Then praise Him a little bit more

Yeah, praise Him a little bit more Praise Him till you've forgotten what you're praising Him for [2x] Praise Him a little bit more Yeah, praise Him a little bit more

Get ready for love! Praise Him! Get ready for love! Get ready!

I searched the seven seas and I've looked under the carpet And browsed through the brochures that govern the skies Then I was just hanging around, doing nothing und looked up to see His face burned in the retina of your eyes

Calling every boy and girl Calling all around the world Calling every boy and girl Calling all around the world

Get ready for love! Praise Him! [2x]
