You know I rowed a little boat, five miles 'cross the pond You know I rowed a little boat, 'bout five miles 'cross the pond I throwed my things in the little boat, it rolled me right along

It was thunderin' and lightenin', but it rolled me right along It was thunderin', it was lightenin', Oh yeah, it rolled me right along There were thousands of people, they didn't have no place to go, mmm

Little children they were screamin' and cryin', Oh yeah
The wind was howlin', they didn't have no place to go, mmm
There were thousands o' people, they's goin' from door to door, mmm

My little boat kept rollin', it kept on rollin', You know it rolled me right along Mmm-mmm, Kept on rollin, Kept on rollin' Kept on rollin', Rollin'
