

# Nick Cave, Something's Gotten Hold Of My Heart

Something's gotten hold of my heart  
Keeping my soul and my senses apart  
Something's gotten into my life  
Cutting its way through my dreams like a knife  
Turning me up and turning me down  
Making me smile and making me frown

In a world that was small  
I once lived in a time there was peace with no trouble at all  
But then you came my way  
And a feeling unknown shook my heart, made me want you to stay  
All of my nights and all of my days

I gotta tell you now  
Something's gotten hold of my hand  
Dragging my soul to a beautiful land  
Something has invaded my nights  
Painting my sleep with a colour so bright  
Changing the grey and changing the blue  
Scarlet for me and scarlet for you

I've got to know if this is the real thing  
I've got to know what's making my heart sing  
You smile and I am lost for a lifetime  
Each minute spent with you is the right time  
Every hour, every day  
You touch me and my mind goes astray
