

Nick Jonas, Champagne Problems

How many Times we've been here before?
How many pieces after break
So many reasons not to celebrate
But I hate to say you cry
So last drink before goodbye

I got a bottle I've been saving up
Thought that we'd drink it all night and day
We'd be opposite of breaking up
I can't believe I'm losing you
We just talking up too soon

We got champagne problems
Only one way to solve them
Raising our glass cause it's our loss
With these champagne problems
Just keep on, keep on drinking
Keep on, keep on drinking
Keep on, keep on...

Ho did our clothes end up on the floor
Didn't we just break each other's hearts?
Didn't you have one foot out the door?
Better to fall in love than lose
I wish I didn.t have to choose

We got champagne problems
Only one way to solve them
Raising our glass cause it's our loss
With these champagne problems
Just keep on, keep on drinking
Keep on, keep on drinking
Keep on, keep on...
