

# Nick Jonas, Under You

[?]

That I never got a chance to hit  
Chance to hit  
But in my mind  
Baby I can taste your lips  
Taste your lips

I was so foolish  
On some stupish  
Should have never let you go  
Knowing that you left  
Messes with my head  
Shadows of you are haunting me now

So I'll never get over  
Never get over  
Not getting under you  
Getting under you  
No I'll never get over  
Never get over  
Not getting under you  
Getting under you

Poured glass  
But I never got to take a sip  
Take a sip  
I've been around the world  
But baby you're my only fix  
My only fix

I was so foolish  
On some stupish  
Should have never let you go  
Knowing that you left  
Messes with my head  
Shadows of you are haunting me now

So I'll never get over  
Never get over  
Not getting under you  
Getting under you  
No I'll never get over  
Never get over  
Not getting under you  
Getting under you

Had a heart attack  
Full speed  
Swerve off track  
Can't breath  
Where you at? /3x  
Ain't no way to take you back  
I've become this heart attack  
Everywhere I see you face  
And it kills me everyday

I was so foolish  
On some stupish  
Should have never let you go  
Knowing that you left  
Messes with my head  
Shadows of you are haunting me now

So I'll never get over

Never get over  
Not getting under you  
Getting under you  
No I'll never get over  
Never get over  
Not getting under you  
Getting under you
