

Nickel Creek, Out Of The Woods

I wish you out of the woods
And into the picture with me.
I wish you over the moon,
Come out of the question and be.

If this is going to
Run around in my head
I might as well be dreaming,
Run around in my head.

I roller coaster for you.
Time out of mind
Must be heavenly.
It's all enchanted and wild,
It's just like my heart said
It was going to be.

If this is going to
Run around in my head
I might as well be dreaming,
Run around in my head.

I wish you out of the woods
And into the picture with me.
I wish you over the moon,
Come out of the question and be.

If this is going to
Run around in my head
I might as well be dreaming,
Run around in my head.
