## Nickel Creek, Spit On A Stranger

however you feel whatever it takes whenever it's real whatever awaits me whatever you need however so slight whenever it's real whenever it's right

I've been thinking long and hard about the things you said to me like a bitter stranger now I see the long and short, the middle and what's in between I could spit on a stranger (pull me out) you're a bitter stranger (pull me out)

whatever you feel whatever it takes whenever it's real whatever awaits me whatever you need however so slight

Honey I'm a prize and you're a catch and we're a perfect match like two bitter strangers now I see the long and short of it and I can make it last I could spit on a stranger (pull me out) you're a bitter stranger (pull me out) I could spit on a stranger (pull me out) you're a bitter stranger (pull me out) I could spit on a stranger (pull me out) I could spit on a stranger (pull me out) you're a bitter stranger

I see the sunshine in your eyes I'll try the things you never tried I'll be the one that leaves you high, high, high
