

# Nickelback, Lullaby

Well, I know the feeling  
Of finding yourself stuck out on the ledge  
And there ain't no healing  
From cutting yourself with the jagged edge  
I'm telling you that, it's never that bad  
Take it from someone who's been where you're at  
Laid out on the floor  
And you're not sure you can take this anymore

So just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now  
I'm reaching out  
To let you know that you're not alone  
And if you can't tell, I'm scared as hell  
'Cause I can't get you on the telephone  
So just close your eyes  
Oh, honey here comes a lullaby  
Your very own lullaby

Please let me take you  
Out of the darkness and into the light  
'Cause I have faith in you  
That you're gonna make it through another night  
Stop thinking about the easy way out  
There's no need to go and blow the candle out  
Because you're not done  
You're far too young  
And the best is yet to come

So just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now  
I'm reaching out  
To let you know that you're not alone  
And if you can't tell, I'm scared as hell  
'Cause I can't get you on the telephone  
So just close your eyes  
Oh, honey here comes a lullaby  
Your very own lullaby

Well, everybody's hit the bottom  
Everybody's been forgotten  
When everybody's tired of being alone  
Yeah, everybody's been abandoned  
And left a little empty handed  
So if you're out there barely hanging on...

Just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now  
I'm reaching out  
To let you know that you're not alone  
And if you can't tell, I'm scared as hell  
'Cause I can't get you on the telephone  
So just close your eyes  
Oh, honey here comes a lullaby  
Your very own lullaby  
Oh, honey here comes a lullaby  
Your very own lullaby
