

# Nickelback, S.E.X.

No is a dirty word  
Never gonna say it first  
No is just a thought that never  
Crosses my mind

Maybe in the parking lot,  
Better bring your friend along,  
Better rock together  
Than just one at a time

S is for the simple need  
E is for the ecstasy  
X is just to mark the spot  
'cause that's the one you really want

(Yes!) Sex is always the answer,  
It's never a question,  
'cause the answer's yes  
Oh the answer's (Yes)  
Not just a suggestion  
If you ask a question  
Then it's always yes

I'm loving what you wanna wear,  
I wonder what's up under there?  
Wonder if I'll ever  
Have it under my tongue?

I'll love to try to set you free  
I love you all over me  
Love to hear the sound you make  
The second you're done

S is for the simple need  
E is for the ecstasy  
X is just to mark the spot  
Cause that's the one you really want

(Yes!) Sex is always the answer,  
It's never a question,  
'cause the answer's yes  
Oh the answer's (Yes)  
Not just a suggestion  
If you ask a question  
Then it's always yes (YES)  
Yeeeeeeeeeah, yeeeah, yeah  
Yeeeeeeeeeah, yeeeah, yeah  
Yeeeeeeeeeah, yeeeah, yeah  
Yeeeeeeeeeah, yeeeah, yeah

S is for the simple need  
E is for the ecstasy  
X is just to mark the spot  
Cause that's the one you really want

It's never a question,  
'cause the answer's yes  
Oh the answer's (Yes)  
Not just a suggestion  
If you ask a question  
Then it's always yes (YES)

(Yes!) Sex is always the answer,

It's never a question,
