Nickelback, Someday

How the hell did we wind up like this? Why weren't we able, to see the signs that we missed And try turn the tables

I wish you'd unclench your fists, and unpack your suitcase Lately there's been too much of this But don't think it's too late

Nothing's wrong, just as long as You know that someday I will

Someday, somehow I'm gonna make it all right but not right now I know you're wondering when (You're the only one who knows that) Someday, somehow I'm gonna make it all right but not right now I know you're wondering when

Well I'd hope that since we're here anyway That we could end up saying Things we've always needed to say So we could end up staying Now the story's played out like this Just like a paperback novel Let's rewrite an ending that fits Instead of a Hollywood horror

Nothing's wrong, just as long as You know that someday I will

Someday, somehow I'm gonna make it all right but not right now I know you're wondering when (You're the only one who knows that) Someday, somehow I'm gonna make it all right but not right now I know you're wondering when (You're the only one who knows that)
