Nico, Secret Side

Without a guide, without a hand Unwed virgins in the land Unwed virgins in the land Tied up on the sand

When there come ships into the land They'll be awaiting reverence They'll be awaiting reverence At their children's hands

Are you not loyal to your pride Are you not on the secret side? It's not a crime, a gain to you, Do you not understand?

Without a guide, without a hand Unwed virgins in the land Unwed virgins in the land Tied up on the sand

When there come ships into the land They'll be awaiting reverence They'll be awaiting reverence At their children's hands

Are you not loyal to your pride Are you not on the secret side? It's not a crime, a gain to you, Do you not understand?
