

Nicola Hitchcock, All Or Nothing

I'll be fine
So I said, I might be wrong
The whitest lie and then

Will I fall
Will I shed a tear
Will I shine
Will I still believe in your love

Here's the thing
It's all the same
I can't go on this way
While I still believe in your love

I'll be strong
Stayed single for so long
Know what I found
I belong

All or nothing
