

Nicole, A Little Peace

1. Just like a flower when winter begins
Just like a candle blown out in the wind
Just like a bird that can no longer fly
I'm feeling that way sometimes
But then as I'm falling weighed down by the load
I picture a light at the end of the road
And closing my eyes, I can see through the dark
The dream that is in my heart

Ref. A little loving, a little giving
To build a dream for the world we live in
A little patience and understanding
For our tomorrow a little peace
A little sunshine, a sea of gladness
To wash away all the tears of sadness
A little hoping, a little praying
For our tomorrow a little peace

2. I feel I'm a leaf in the November snow
I fell to the ground, there was no one below
So now I am helpless alone with my song
Just wishing the storm was gone

A little loving, a little giving
To build a dream for the world we live in
A little patience and understanding
For our tomorrow a little peace

Ref. A little sunshine, a sea of gladness
To wash away all the tears of sadness
A little hoping, a little praying
For our tomorrow a little peace

We are feathers on the breeze
Sing with me this song of peace
We are feathers on the breeze
Sing with me this song of peace
