

Nicole C. Mullen, Gon' Be Free

I'm gonna be free
I'm gonna be free

Loose my from chains
Cleanse me from my stains
Heal me from my shame
Yeah

Give me wings to try
Point me to the sky
Cheer me as I fly

Cause I'm, I'm gonna be free
No boundry of slavery
Can't hold back my liberty

Because who the Son sets free
Is absolutely free indeed
That they cannot take from me
Cause I, I, I'm gonna be free

Tell me what you know
Give me seeds to sow
Leave me room to grow
Oh

Love me like a friend
Teach me how to bend
Watch me walk within

Cause I'm, I'm gonna be free
No boundry of slavery
Can't hold back my liberty

Because who the Son sets free
Is absolutely free indeed
That they cannot take from me
Cause I, I, I'm gonna be free

He released me from my chains
He has washed away my stains
He has healed me from my shame
I'm free

No matter might come my way
Whether sun or stormy days
God will help me come what may
The reason why I sing

Cause I'm, I'm gonna be free
No boundry of slavery
Can't hold back my liberty

Because who the Son sets free
Is absolutely free indeed
That they cannot take from me

Cause I'm, I'm gonna be free
No boundry of slavery
Can't hold back my liberty

Because who the Son sets free
Is absolutely free indeed
That they cannot take from me

Cause I, I, I'm gonna be free

I, I, I'm gonna be free
I, I, I'm gonna be free
I, I, I'm gonna be free

I'm gonna be
I'm gonna be
I'm gonna, I'm gonna be ... free

Help me sing

I'm free to be
I'm free to be
I'm free to be ... me
(repeat 2x)

I'm free to be
I'm gonna be
I'm gonna be
I'm gonna be ... free
