

# Nicole Cherry, Yes I Can

Day by day, time is running away  
I can't stop what it's started  
I can't see what is coming, into my way  
Don't stop to believe you've got nothing to prove  
When you make a mistake, just get up  
Don't be afraid to say 'sorry', that's so  
You turn an ordinary day..  
In a moment of glory

Yes I can, I can climb the highest mountain  
If I want  
Yes I can, yes I can  
I can hate, I can love and forgive if I want  
Yes I can, yes I can  
I can get up and fight if it's necessary and  
I can do what I want with my life  
Yes I can

Sometimes, I quit but now  
I ain't got no more tears to shed  
And sometimes I dream that I fly  
above the clouds and I don't care, I don't care  
But in the real world when I'm hurt I create  
An imaginary world  
I get up ready to fight, to hope, to dream, to go on

Yes I can, I can climb the highest mountain  
If I want  
Yes I can, yes I can  
I can hate, I can love and forgive if I want  
Yes I can, yes I can  
I can get up and fight if it's necessary and  
I can do what I want with my life  
Yes I can

Have faith, trust in yourself!

Yes, yes you can if you really really want  
You can do it  
Yes you can, yes you can, yeee yes you can  
Yes you can do what you want with your life  
Just make it right  
Yes I can, yes I can  
You can climb the highest mountain if you want  
Yes I can, yes I can  
Yes I can, you can, yes I can, you can do it

Yes I can, I can climb the highest mountains  
If I want  
Yes I can, yes I can  
I can hate, I can love and forgive if I want  
Yes I can, yes I can  
I can get up and fight if it's necessary and  
I can do what I want with my life  
Yes I can
