

# Nicole Crawford, The Kink

When we're alone, I get all horny.  
I wanna be with you, I know it sounds corny.  
I can't help my attraction,  
It's all about satisfaction.

All I wanna do is hump you!  
All I wanna do is bump you!  
I wanna put out,  
For you are my spout!  
Don't want no other!  
Not even my brother!

I want the kink!  
I want the kink!  
Get out the whips,  
Get out the leather,  
And all of that pleasure.  
I want the kink!  
I want the kink!

You say you want me,  
I believe you intensely.  
I want to do the nasty.  
We're past all the laughing.

Let's do it now!  
Let's get on the ground!  
Let's take off our clothes!  
Let's get in a pose!  
Spoon me now!  
I want you to bow!  
I'm your queen,  
You are my king.  
I want the kink!  
I want the kink!

I want the kink!  
I want the kink!  
Get out the whips,  
Get out the leather.  
And all of that pleasure.  
I want the kink!  
I want the kink!

Baby, buttercup, sweetie pie,  
Sugar me up.  
I want your thing,  
In my thing.  
Let's get down and dirty.  
Forget all the flirting.

I want the kink!  
I want the kink!  
I want the kink!  
I wa-aaaant the ki-iiiiink!
