

Nicole (FI), Valve

Ihden kaukaisuuteen
kuljet sen haaveen mieleen hiljaiseen
pelkt hengitt pime

kannat kuolleen katseen
sen sokean lauseen kadonneen
en tied koska saan sen
en tied koska nousen taas

huoneen menneisyyteen
tunnet sen
vuoteen viereen valkoiseen
pelkt hengitt pime

nousen taas
</lyrics>

==English translation==

<lyrics>

Leave into eternity

Travel into the that dreams'

Quiet mind

You are afraid to breath the dark(ness)

You carry a dead stare
Its lost blind sentence
I never know when I will get it
I never know when I will rise again

The past of the room
You feel it
Next to the white bed
You are afraid to breath the darkness

Again
I rise again
