

# Nicole Kidman, Come What May

Never knew, I could feel like this,  
Like I've never seen the sky before  
Want to vanish inside your kiss  
Everyday I love you more and more  
Listen to my heart can you hear it sing  
Telling me to give you everything  
Seasons may change, winter to spring  
But I love you, until the end of time

Come what may, come what may  
I will love you, until my dying day

Suddenly the world seems such a perfect place  
Suddenly it moves with such a perfect grace  
Suddenly my life doesn't seem such a waste

The world revolves around you

And there's no mountain too high, no river too wide  
Sing out this song and I'll be there by your side  
Storm clouds may gather,  
And stars may collide

But I love you, I love you  
Til the end of time (Until the end of time)

Come what may, Come what may  
I will love you, until my dying day  
Oh come what may, come what may  
I will love you (I will love you)  
Suddenly the world seems such a perfect place

Come what may, Come what may  
I will love you  
Until my dying day
