

# Nicole Kidman, Elephant Love Song

Ewan: Love is a many splendored thing,  
love, lifts us up where we  
belong, all you need is love.

Nicole: Please, don't start that again.

E: All you need is love.

N: A girl has got to eat.

E: All you need is love.

N: she'll end up on the street.

E: All you need is love.

N: Love is just a game.

E: I was made for loving you baby, you were made for loving me.

N: The only way of loving me baby, is to pay a lovely fee

E: Just one night, just one night.

N: There's no way, cuz you can't pay.

E: In the name of love, one night in the name of love.

N: You crazy fool, I won't give in to you.

E: Don't leave me this way, I can't survive, without your sweet  
love, oh baby, don't leave me this way.

N: You'd think that people would have had enough of silly  
love songs.

E: I look around me and I see, it isn't so, oh no.

N: Some people wanna fill the world with silly love songs.

E: Well what's wrong with that, I'd like to know, cause here I go  
yeah! Love lifts us up where we belong, where eagles fly, on  
a mountain high.

N: Love makes us act like we are fools, throw our lives away  
for one happy day.

E: We could be heroes, just for one day.

N: You, you will be mean.

E: No, I won't!

N: And I, I--I'll drink all the time.

E: We should be lovers.

N: We can't do that.

E: We should be lovers, and that's a fact.

N: Though nothing will keep us together.

E: We could steal time...

Both: Just for one day. We could be heroes, for ever and ever.  
We could be heroes, for ever and ever. We could be heroes...

E: Just because I will always love you.

Both: I can't help loving you....

N: How wonderful life is...

B: Now you're in the world.

Moon: Evviva la forza dell'amor!
