

Nicole Scherzinger, Baby Love

(Nicole)

I remember like it was yesterday
first kiss and i knew you changed the game
you had me, exactly, where you wanted
and i'm on it, and i aint ever gonna let you get away
holding hands never made me feel this way
so special, boy its your..
your smile, we so in Love (lalalalaaa)
yeeeah we so in Love (Lalalalalaaa)
and i just can't get enough of your
lalala Lovee
yeeah we so in love LOVE
i want you to know...

You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every everything that i could ever dream of
You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every every every everything

In a minute now we're still holding it down
butterflies everytime he come around
you make me, so crazy, its crazy, ohh baby
i don't ever wanna be with no one else
you're the only one that ever made me melt
you're special, boy it's your, your style
we so in Love (lalalalaaa)
yeeeah we so in love Lalalalalalaa
and i just can't get enough
of your lalala Love
yeah thats all i'm thinking of
LOVE, i want you to know. . .

You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every everything that i could ever dream of
You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every everything that i could ever dream of
You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every everything that i could ever dream of
You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)

you're my every every every everything

everything everything ohh
everything everything ohh

(Will.i.am)

You always and forever you my sunshine
on my mind constant
think about you all the time (you're my everything)

(Nicole)

Everything everything ohh
everything everything ohh

(Will.i.am)
you ma new school (love)
you ma old school (love)
and it's true you're the one i'm thinking of

(Nicole)
You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every everything that i could ever dream of
You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every every every everything

You are my baby love my baby love
you make the sun come up
ohh boy (ohh boy)
you're my every every every everything

You are my baby love my baby love
you make the sun come up (you make the sun come up on a cloudy day)
ohh boy (ohh boy)
(you're my number one, you're my special thing)
you're my every every every everything

everything everything ohh
everything everything ohh

you are my baby baby baby babe love

everything everything ohh
everything everything ohh

you're my everything
you are my baby baby baby baby love
