

# Nicole Scherzinger, Bang

Way I throw it up  
You like the way I throw it up, throw it up  
Throw it up, throw it up  
Boy, you like the way I throw it up, throw it up  
Throw it up, throw it up  
The way I throw it up, throw it up  
Throw it up, throw it up

Roll up on your love like a drive-by  
We doing it everywhere  
Holding on, baby, like I'm gonna die  
Laying in this bed like I been shot  
Love the way you give it to me  
Can't lie  
And I don't care, I don't care  
I don't care what anybody thinks about it  
When I'm with you, I don't think about it

We go on and on and on and on  
Do this all night long, night long, night long  
In my zone, my zone, my zone, my zone  
We just let it bang  
Underneath the covers  
No colors, just lovers

Throw it up, throw it up  
Throw it up, throw it up  
Baby, just hold it up  
Hold it up, hold it up  
Like the way I throw it up  
Throw it up, throw it up  
We just let it bang  
We just let it bang  
Throw it up, throw it up  
Throw it up, throw it up  
Baby just hold it up  
Hold it up, hold it up  
Like the way I throw it up, throw it up  
Throw it up, throw it up  
We just let it bang  
We just let it bang

It seems every night I get initiated  
Crazy thing is I initiate it  
On your body like daylight  
Under your body like good night  
Go ahead, baby  
Sweat it out, sweat it out  
He like "Go ahead, baby"  
Just wet it out, wet it out

Roll up on your love like a drive-by  
We doing it everywhere  
Holding on, baby, like I'm gonna die  
Laying in this bed like I been shot  
Love the way you give it to me  
Can't lie  
And I don't care, I don't care  
I don't care what anybody thinks about it  
When I'm with you, I don't think about it

Throw it up, throw it up  
Throw it up, throw it up  
Baby, just hold it up

Hold it up, hold it up  
Like the way I throw it up  
Throw it up, throw it up  
We just let it bang  
We just let it bang  
Throw it up, throw it up  
Throw it up, throw it up  
Baby just hold it up  
Hold it up, hold it up  
Like the way I throw it up, throw it up  
Throw it up, throw it up  
We just let it bang  
We just let it bang

Baby, I got loving you on my mind  
And I tell you all the time  
You been gone, I need retribution  
And your love is my resolution  
I wanna feel you in my spirit  
I wish everybody could feel this  
Everybody but God should feel this, feel this

Throw it up, throw it up  
Throw it up, throw it up  
Baby, just hold it up  
Hold it up, hold it up  
Like the way I throw it up  
Throw it up, throw it up  
We just let it bang  
We just let it bang  
Throw it up, throw it up  
Throw it up, throw it up  
Baby just hold it up  
Hold it up, hold it up  
Like the way I throw it up, throw it up  
Throw it up, throw it up  
We just let it bang  
We just let it bang
