

Nicole Scherzinger, Get Into It

Y'all aint ready (x2)
That's how you get into it (x2)
That's how you get into the CW now
Everybody listen to me that's how you get into it
This is how it's going to be that's how you get into it
We know how to start the party that's how you get into it
That's how you get with the CW now

Every time I get into it, I just feel so free
Call it into wishing, we know what we wanna see

Wanna see, wanna see what's going on from the screen
Everybody get into the CW see
Bet you wanna feel it, got me feeling so free
Don't you wanna get into feeling sexy?
Everybody is part of the family
Get into it; yea we wanna do it, you and me

Everybody listen to me that's how you get into it
This is how it's going to be that's how you get into it
That's how you get with the CW now
