

Nicole Scherzinger, Your Love

[Verse 1]

Boy, you don't know how much I like you
You're so hot, not to bite it
Just a little, know you like it
I'll do whatever you want

Somethin 'bout you so enticin'
Even when I try to fight it
Knock me out like Michael Tyson
I'll do whatever you want

[Pre-chorus]

And I, I'm never letting you go baby
I, love you so baby
Love me the most baby
Ain't going nowhere
Like froze baby
Do whatever you want, baby
And everything you don't, baby
Be whatever you need

'Cause your love makes me feel like

[Hook]

Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your love makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your touch makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your love makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
'Cause your love makes me feel like

[Verse 2]

Yeah baby you got me
Yeah my body's like Bugatti
You know everybody wants mine
You got everything they don't
You get all my loving
All my kisses when we're hugging
MC Hammer girls can't touch this
I got everything they don't

[Pre-chorus]

And I, I'm never letting you go baby
I, love you so baby
Love me the most baby
Ain't going nowhere
Like froze baby
Do whatever you want, baby
And everything you don't, baby
Be whatever you need

'Cause your love makes me feel like

[Hook]

Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your love makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your touch makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your love makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
Yes your love makes me feel like

[Bridge]

I need you in the daytime
Especially in the night time
I'm never in my right mind when I'm with you (Baby oh)
I need your body on me
Whenever you go I'm gettin' lonely
You'll believe how much I'm missing you

Your love makes me feel like
Your love makes me feel like
Your love makes me feel like

Your love makes me feel like
Your love makes me feel like
'Cause your love makes me feel like

[Hook]

Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your love makes me feel like
Du, du, du, du
Du, du, du, du
Du, du, du, du
Boy your touch makes me feel like

Boy your love makes me feel like
'Cause your love makes me feel like
