

# Nields, Waco Lake

Watch my heart break  
By Waco Lake  
I try to make my mind up  
For Heaven's sake

So take me to the fire  
Where I'll burn my poor heart down  
And do me a favor, won't you call John the Baptist  
Tell him I'll be there soon if I make it back to town

My upbringing  
Was full of things  
"Just keep us safe and happy  
Till Your kingdom comes"

So take me to the fire  
Where I'll burn my poor heart down  
And do me a favor, won't you call John the Baptist  
Tell him I'll be there soon if I make it back to town

It doesn't matter what I do  
Cause I'm burning either way  
It doesn't matter cause I saw my lover with another  
Yesterday

I must return

I watch my home Inferno and know  
He's holding her.

So take me to the fire  
Where I'll burn my poor heart down  
And do me a favor, won't you call John the Baptist  
Tell him I'll be there soon if I make it back to town
