

# NIEOBLICZALNI PawL&Ptyś, Wanna Live (feat. T

(Verse 1)

I don't wanna be the guy who passes on life, by just eating, sleeping n doin' my job  
I expect more, visiting mountain tops,

different countries, new people I can laugh,  
with, - I can drive with, - I can hike with,

my brain burnin' with all those thoughts,  
so tonight I wanna get out to forget about my lost, moments,

that I could've instead of listening to my boss,  
getting up early, hand gestures, sign of a cross,

cauz later on there will be nothing to reminisce,  
gettin' dressed for tonight and let's do this,

gettin' out the house tonight yeah let's do this,  
forget about my my problems, yeah yeah yeah let's do this!

(Hook)

I choose to live my life, I choose to go,  
I choose to live my life, I choose to know,

Take it down down, then turn it up  
spread worldwide international love!

I choose to live my life, I choose to go,  
I choose to live my life, I choose to know,

Take it down down, then turn it up  
spread worldwide international love!

(Bridge)

Wanna live!

Wanna live!

I choose to live my life!  
Livin' the life!

I choose to live my life!  
Livin' the life!

(Verse 2)

With my newest attitude, I can explore it all,  
Livin' the life I always wanted, the life I deserve for sure,

I'm gonna touch the sky tonight, I'm gonna' reach my goals (goals)  
Imma realize my dreams now – that's what I been workin' for

9 to 5, not anymore, been dreamin' about this since I was four  
been reading about this, had the feeling, so insane, I couldn't, I couldn't ignore

Europe, Africa, Asia, Australia - yeah – I'm gonna see it all!  
I'm not gonna sit at the desk and live, to make phone calls!

(Hook)

I choose to live my life, I choose to go,  
I choose to live my life, I choose to know,

Take it down down, then turn it up  
spread worldwide international love!

I choose to live my life, I choose to go,  
I choose to live my life, I choose to know,

Take it down down, then turn it up  
spread worldwide international love!

(Bridge)  
Wanna live!

Wanna live!

I choose to live my life!  
Livin' the life!

I choose to live my life!  
Livin' the life!
