

Nieznani, Operation Sail (ANG)

When the wind keeps on smiling,
Then the world's near by.
How lovely to keep on sailing
Across the seas and skies!
We are leaving for the high seas...
Our space, our time.
Sail on - on the sea - white sail sea,
on the birdlike blue sky!
Operation Sail! Operation Sail!
To the high seas everybody's sailing!
You are true, you are daring,
Our sails - our brides!
Love us we love you, darlings,
Across the seas and skies!
We are leaving for the high seas...
