

# Night Ranger, Right On You

I was drinkin' in the parking lot  
Outside where you're workin'  
I was looking for your man  
I was waiting for your man

I don't know what you've been thinking about  
But I've been mistreated  
And I'm looking for your man  
Yes, I'm waiting for your man

Oh, I ain't afraid of your Johnny-come-lately  
You can count on me bringin' him down

I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now

Me and Jackie, we were checking it out  
'Bout your hard luck story  
And I heard it all before  
And I ain't gonna pay no more

If you're thinking that I'm your fool  
Well then, you better listen  
I ain't takin' no more lies  
I ain't takin' no more lies

I left you alone standin' at that door  
I can't hear you knockin' no more

(repeat twice:)  
I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now

Oh look out baby, cause here I come to get ya

Hey, come on back

I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now
