

Night Ranger, Right On You

I was drinkin' in the parking lot
Outside where you're workin'
I was looking for your man
I was waiting for your man

I don't know what you've been thinking about
But I've been mistreated
And I'm looking for your man
Yes, I'm waiting for your man

Oh, I ain't afraid of your Johnny-come-lately
You can count on me bringin' him down

I can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you now

Me and Jackie, we were checking it out
'Bout your hard luck story
And I heard it all before
And I ain't gonna pay no more

If you're thinking that I'm your fool
Well then, you better listen
I ain't takin' no more lies
I ain't takin' no more lies

I left you alone standin' at that door
I can't hear you knockin' no more

(repeat twice:)

I can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you now

Oh look out baby, cause here I come to get ya

Hey, come on back

I can hear the news comin'
I can feel the heat fallin'
Right on you now
Right on you now
