

Night Ranger, Sing Me Away

Sometimes I sit and I dream on for hours
Sometimes my hours they turn into days
I dream of a girl I once knew as a schoolboy
She is the one who could sing me away
But she is a long ways away
And I want to be with her today
I'll think of a way I can get back
Oh I'd run all the way back home

Sing me away

Sing me away

Sing me away

Sing me away

What do you see when you look in the mirror

I see a face from the past it's so clear

What do you hear when I sing you forever

A song that will last for a million years

But I am a long ways away

I want to be with you today

Think of a way I can get back

Oh I'll run all the way back home

Sing me away

Sing me away

Sing me away

Sing me away
