

# Nightwish, Beauty Of The Beast

[Long Lost Love]

Trees have dropped their leaves,  
Clouds their waters  
All this burden is killing me

Distance is covering your way,  
Tears your memory  
All this beauty is killing me

Oh, do you care,  
I still feel for you  
So aware,  
What should be lost is there

I fear I will never find anyone  
I know my greatest pain is yet to come  
Will we find each other in the dark  
My long lost love

[One More Night To Live]

Safely away from the world  
In a dream, timeless domain  
A child, dreamy eyed,  
Mother's mirror, father's pride

I wish I could come back to you  
Once again feel the rain  
Falling inside me  
Cleaning all that I've become

My home is far but the rest it lies so close  
With my long lost love under the black rose  
You told I had the eyes of a wolf  
Search them and find the beauty of the beast

All of my songs can only be composed of the greatest of pains  
Every single verse can only be born of the greatest of wishes  
I wish I had one more night to live

A saint blessed me, drank me deeply  
Spitting out the misery in me  
Still a sinner rapes 1000 saints  
Sharing the the same hell with me

Sanest choice in the insane world...  
Beware the beast but enjoy the feast he offers

[Christabel]

"Oh, sweet Christabel. Share with me your poem.  
For I know now, I'm a puppet on this silent stage show.  
I'm but a poet who failed his best play.  
A Dead Boy, who failed to write an ending  
To each of his poems."
