Nightwish, Dark Chest Of Wonders

Once I had a dream And this is it

Once there was a child's dream One night the clock struck twelve The window opened wide Once there was a child's heart The acient learned to fly And took a step outside

Once I knew all the tales It's time to turn back time Follow the pale moonlight Once I wished for this night Faith brought me here It's time to cut the rope and fly

Fly to a dream Far across the sea All the burdens gone Open the chest once more Dark chest of wonders Seen through the eyes Of the one with pure heart Once so long ago

The one in the Big Blue is what the world stole from me This night will bring him back to me

Fly to a dream Far across the sea All the burdens gone Open the chest once more Dark chest of wonders Seen through the eyes Of the one with pure heart Once so long ago
