

# Nightwish, Edema Ruh

One by one we light the candles of the show  
One by one entered a theater of the primal birth  
Silently watch the planetary curtain go down  
Laugh and drink joys as the powerful play greets you tonight

We are the Edema Ruh, we know the songs the sirens sang  
Sea of stream, every tale true  
Soon as we leave with you, we'll take you home

We've got a pick to open all of the gates  
A show you will see, a starlight to drown all your cares  
Mirror houses, the sweetest kisses and lights  
The Debussy twilight between winter and the roaring sea

We are the Edema Ruh, we know the songs the sirens sang  
Sea of stream, every tale true  
Soon as we leave with you, we'll take you home

Dance to the whistle to the play to the story  
To infinite encores  
Laugh at the royalty with sad crowns  
And hear the chorus once more

We are the Edema Ruh, we know the songs the sirens sang  
Sea of stream, every tale true  
Soon as we leave with you, we'll take you home
