

Nightwish, Ever Dream

Ever felt away with me
Just once that all I need
Entwined in finding you one day

Ever felt away without me
My love, it lies so deep
Ever dream of me

Would you do it with me
Heal the scars and change the stars
Would you do it for me
Turn loose the heaven within

I'd take you away
Castaway on a lonely day
Bosom for a teary cheek
My song can but borrow your grace

Come out, come out wherever you are
So lost in your sea
Give in, give in for my touch
For my taste for my lust

Your beauty cascaded on me
In this white night fantasy

"All I ever craved were the two dreams I shared with you.
One I now have, will the other one ever dream remain.
For yours I truly wish to be"
