

# Nightwish, For The Heart I Once Had

Heaven today is but a way  
To a place I once called home  
Heart of a child, one final sigh  
As another love goes cold

Once my heart beat to the  
rhythm of the falling snow  
Blackened below, the river now flows  
A stream of molten virgin snow

For the heart I'll never have  
For the child forever gone  
The music flows, because it longs  
For the heart I once had

Living today without a way  
To understand the weight of the world  
Faded and torn, old and forlorn  
My weak and hoping heart

For the child, for the light  
For the heart I once had  
I'll believe and foresee  
Everything I could ever be

For the heart I'll never have  
For the child forever gone  
The music flows, because it longs  
For the heart I once had

Time will not heal a Dead Boy's scars  
Time will kill

For the heart I'll never have  
For the child forever gone  
The music flows, because it longs  
For the heart I once had
