Nightwish, Ghost Love Score

We used to swim the same moonlight waters Oceans away from the wakeful day

My fall will be for you My love will be in you If you be the one to cut me I'll bleed forever

Scent of the sea before the waking of the world Brings me to thee Into the blue memory

My fall will be for you My love will be in you If you be the one to cut me I will bleed forever

Into the blue memory

A siren from the deep came to me Sang my name my longing Still I write my songs about that dream of mine Worth everything I may ever be

The Child will be born again
That siren carried him to me
First of them true loves
Singing on the shoulders of an angel
Without care for love n` loss

Bring me home or leave me be My love in the dark heart of the night I have lost the path before me The one behind will lead me

Take me
Cure me
Kill me
Bring me home
Every way
Every day
Just another loop in the hangman`s noose

Take me, cure me, kill me, bring me home Every way, every day I keep on watching us sleep

Relive the old sin of Adam and Eve Of you and me Forgive the adoring beast

Redeem me into childhood Show me myself without the shell Like the advent of May I'll be there when you say Time to never hold our love

My fall will be for you My love will be in you You were the one to cut me So I'll bleed forever
