Nightwish, Symphony Of Destruction

You take a mortal man
And put him in control
Watch him become a god
Watch people's heads a-roll

Just like the Pied Piper
Led rats through the streets
We dance like marionettes
Swaying to the Symphony of Destruction

Acting like a robot
Its metal brain corrodes
You try to take its pulse
Before the head explodes

Just like the Pied Piper
Led rats through the streets
We dance like marionettes
Swaying to the Symphony of Destruction

Solo - Friedman

The earth starts to rumble
World powers fall
A-warring for the heavens
A peaceful man stands tall

Just like the Pied Piper
Led rats through the streets
We dance like marionettes
Swaying to the Symphony of Destruction
