

Nik Kershaw, Cowboys & Indians

I am a man with things to say
Got the real thing here without a doubt
My aim is true, I'm on my way
And I know what life is all about
I'll be around
One day
Gunslung civilians
I'll be around
We'll play
Cowboys and Indians
I'll be around and around and around and around
I am a man with things to sell
And I sell them for the highest bid
I know my job, I do it well
I think maybe I'm the sundance kid
(Chorus)
Another shot
Another holler
Another bullet
Another dollar
Another day
I am a man without a cause
But that don't stop all the fun and games
I'm wild bill without his horse
I'm a modern day Jesse James
(Chorus)
