## Nika, Don't Wanna Be Alone Tonight

Driving I gotta get to you Racing to beat that sunrise Craving me all wanna touch This hunger inside can't fight it

I'm driving trought this lonely hour Just to get to you

\*Cause I I don't wanna be alone tonight Maybe that's why I just wanna see you I just gotta see you tonight

Baby you definitely got me Got me just where you want me I'm not denying that I want your love More than anything I ever knew

I'm driving trought this lonely hour Just to get to you

\*Cause I I don't wanna be alone tonight Maybe that's why Nothing gonna stop me Maybe tonight I don't wanna be alone right now Maybe that's why nothing's gonna stop me

Cause I just wanna see you I just got to see you tonight

I'm driving trought this lonely hour Just to get to you

Cause I I don't wanna be alone tonight Maybe that's why Nothing gonna stop me Maybe tonight I don't wanna be alone right now Maybe that's why nothing's gonna stop me

Cause I just wanna see you I just got to see you tonight
